Receipt number **DONNS-000000549-CV**

Dear Shelley,

Thank you so much for your special donation to the Canadian Cancer Society. I want you to know that because of your generosity, progress against cancer will continue to be made.

Because of your thoughtfulness, not only will adequate funds be available for leading-edge cancer research, but also the Canadian Cancer Society will be able to continue delivering important programs and services that provide support and valuable information to people living with cancer.

With cancer being the leading cause of premature death in Canada, we must remain relentless in our pursuit of new discoveries. Thank you for helping us make cancer history.

Sincerely,

Maureen Summers
Executive Director
